

Merritt & District Chamber of Commerce Board of Directors Application Form

If you've ever been curious about joining the Merritt & District Chamber of Commerce's Board of Directors, there's no better time than now to move forward with an application. A seat on the Board means you'll be playing a key role in steering the Chamber and its members to a brighter future - from recommending new projects and watching them be carried out to deciding new Chamber policies and procedures. There's no better way to make a significant positive impact on your local business community.

You can also use this form to nominate another community member you think might be a good fit!

Active Chamber of Commerce members as well as interested members of the small business community are invited to contact Margaret Hohner, the Chair of the Chamber of Commerce to discuss the specifics of Directorship.
